The 17th Annual Corporate Value Awards will be held later in the year, conditions permitting. This event is a great opportunity to showcase your company to prospective customers, capital sources, suppliers and employees.

With these awards, ACG Indiana hopes to set new standards in corporate value and creation by recognizing those entities and service providers who achieve great things for our Indiana economy and community.

ACG Indiana is now seeking nominations from companies and advisers for the **2021 Corporate Value Award and the 2021 Deal of the Year Award.**

The two categories for the Corporate Value Award are for companies that have less than \$500 million in revenue and for companies that have greater than \$500 million in revenue.

Primary consideration will be given to companies that have and continue to create the greatest corporate value benefit to its stakeholders, including shareholders, employees, customers, suppliers, and community. Economic growth, financial growth, job growth, organic growth, and/or acquisition growth could also be a consideration for creating corporate value.

The Deal of the Year Award will be awarded to a group of individuals who have performed services on an M&A transaction **during the course of calendar 2020.**

Primary considerations will include interesting or unique aspects of the transaction, the impact of the transaction on Indiana, and the impact of the transaction on the industry. Size of the transaction will be a secondary consideration.

To nominate a company, please complete the information on this form.

After an initial review, the Corporate Value Award Committee will follow up with nominees to obtain relevant information.
