

## **Martin Wise**

CEO, RelPro

Martin is the Founder & CEO of RelPro, a fast-growing software and data analytics platform providing Business Development & Relationship Management professionals (particularly in Financial & Professional Services) with valuable intelligence on 7+ million companies & their executives. Clients (including 50% of the top 50 US Banks) use RelPro's solutions to build their business and successfully make connections with senior decision-makers and business owners.

Before founding RelPro in 2009, Martin gained extensive leadership experience during a 20-year career with Merrill Lynch in London and New York. His responsibilities included SVP, Head of Global Client Coverage; Chair, Merrill Lynch Foundation, Head of Global Strategy & Planning, and Head of Investor Relations.

Martin is a member of the Board of Directors of BritishAmerican Business and the American Friends of London Business School. He is a member of the Association of Corporate Treasurers (UK).

Martin is former Chair (North America) and Trustee of CDP, a global organization that holds the world's largest database of corporate climate change information, and former Chair (Emeritus Board member) of Family Promise, a national non-profit organization that mobilizes 200,000 volunteers in 43 states to provide shelter and support to homeless families.

Martin earned an MBA (with distinction) from London Business School and a B.Sc. (Hons) from the University of Southampton.

Martin lives at the shore in Spring Lake, NJ and enjoys tennis, golf and cycling (on and off-road).
