CEO

Opal Energy Group

Kyle Shroufe is a founding partner and CEO at Opal Energy Group, a vertically integrated alternative energy company specializing in commercial and industrial solar development. His expertise in this industry spans project management, sales, business development, and finance. He has helped lead his company to 30x growth in recent years, allowing Opal Energy Group to become one of the foremost national leaders in the commercial and industrial solar space.

Kyle started his entrepreneurial journey in real estate where he built multiple portfolios of multi-family and mixed-use properties, some of which he still holds, and others that he exited out of in the most recent market cycle.

Kyle is also a proud advisory board member of the Spring Lake Hope Foundation, a non-profit organization that provides support to families of children with serious illness and special needs.
