

Tom Meehan
President
CONTROLTEK

As president of CONTROLTEK, Tom Meehan guides the company's strategy while leading its core business sectors – Tamper-Evident Packaging, EAS and RFID technology. He drives the company's strategic vision, sustainable business practices, and company culture and oversees the day-to-day operations of the business, sales, and customer growth and retention.

Tom stands as a trailblazer in the fields of loss prevention, retail technology, cybersecurity, IoT, AI, risk management, and FinTech. With a distinguished career marked by exceptional achievements, Tom is recognized as a top influencer and thought leader in the industry.

Tom has held positions as Chief Strategy Officer and Chief Information Security Officer at CONTROLTEK. Prior to joining, Tom was director of technology and investigations with Bloomingdale's, he worked for Home Depot in loss prevention, and has had various technology, loss prevention, and operational roles at several other companies.
