*Oversized vehicles for valet are determined by their height, width, and length requirement to park inside **Hyatt Regency Denver's parking garage**.

The Height restriction in the garage is 6'10" (6 foot-10 inches). Any vehicle that is taller than 6'10", including roof racks, bike racks, or luggage carriers, unless removed before parking, will be charged an Oversized rate.

The parking garage spaces are 8' (8 feet) wide, which includes the door clearance or the amount of room it takes to enter/exit the vehicle safely. Any vehicle wider than 8' (8 feet), measuring wheel to wheel, will also be considered an Oversized Vehicle.

The maximum length of the parking garage spaces are 18' (18 feet). Any vehicle exceeding this length, including hitches, bike racks, or luggage carriers, unless removed before parking, will be considered an Oversized Vehicle.
