## CFO & Strategic Services

**Galaxy** - Aromas of cassis, boysenberry, and red fleshed plums with floral and white pepper undertones and a hint of sweet smoke. Juicy with a plush mid-palate and smooth finish. The muscular structure is well integrated with judicious use of new French oak. There is great aging potential here but drinks beautifully right now.

**Caymus** - The perfumed black fruit preserves and chocolate-laced notes completely pack the full-bodied palate, with soft, velvety tannins and just enough freshness, finishing very long and very spicy. Definitely one for hedonists seeking immediate gratification

Dundee Hills, Oregon, US - "Enticing, vibrant, it presents ripe pomegranate and cranberry on the palate, laced by an earthy spiciness. Ageing for over 10 months in French Oak has contributed a softness to the mouthfeel without masking the lovely red to black fruit characteristics."
