THE POWER OF CARING

WE ARE PROUD TO SUPPORT THE ACG NEW YORK 11TH ANNUAL HEALTHCARE CONFERENCE

Health care providers and related businesses face an increasing number of challenges. In this highly regulated industry, they must keep up with constant, complex changes, while providing the best services for patients and customers. To overcome these hurdles and meet their business goals, they need a law firm experienced in all aspects of health care regulation, transactions, operations, risk management and litigation—Pepper Hamilton LLP.

Audit. Tax. Consulting.
Wealth Management.

Make the mark.

With private equity being challenged to do more with less, you need a strategic business advisor.

Serving more than 525 private equity firms and 2,000 healthcare clients nationwide, we provide transaction advisory, tax, audit, technology, strategy and operations services through the investment life cycle. Our integrated healthcare practice brings you the collective experience of more than 380 specialists who can help you limit risk and improve your return on investment.
