Automatic Membership Renewal Feature Now Live

To ensure that your membership is both worry-free, and continuous, ACG recently launched an automatic renewal feature. We know you value your ACG membership. It's an integral part of your business development, and you cannot afford to have it interrupted. By opting in for auto renewal, you will:

- Avoid fumbling through mailed invoices
- Save time by storing multiple credit cards that will expedite future event registration
- Worry less thanks to security features that will prevent credit card theft and cloning
- Enjoy more time networking with the convenience of a worry-free renewal process

[Please take a moment and enroll in automatic renewal today.](#) Not to worry if your priorities change in the months to come; we'll send you a timely reminder about automatic billing before your annual renewal is scheduled to be charged to your credit card.
