## CRAFT BEERS BY BEER NAME

**420** | A tasty West Coast style Extra Pale Ale accentuated with a stimulating hop character. | TSG Consumer Partners, Rothschild & Co. **Tbl#15**

**312 Urban Wheat** | 312's spicy aroma of Cascade hops is followed by a crisp, fruity ale flavor delivered in a smooth, creamy body that's immensely refreshing. | Bessemer Investment Partners, Monomoy **Tbl#8**

**Aged Pale** | Ever since the start of the brewery, the beer has been used as a blending-beer with other beers to give them fresh, slightly sour flavors and aromas. | CITIC Capital, D.A. Davidson & Co. **Tbl#02**

**Ale** | The aroma is very mild. There's an overlaying malty sweetness. Some very subtle hints at nut and roasted grains, which are only subtly recognizable after letting the beer warm up, and there is little if any presence of hops. | Greenberg Traurig **Tbl#013**

**Alexander** | This extraordinary beer with its unique, balanced palate, complex finish and subtle fruit and wood notes is undoubtedly one of the best sour ales RODENBACH has ever created. | Shorehill, Duff & Phelps **Tbl#03**

**Anti-Hero IPA** | This iconic ale features a blend of Citra, Crystal, Centennial, and Chinook to create a crisp clean bitterness and imparts massive floral and citrus aromas. | Blue Point Capital, Center Rock Capital **Tbl#10**

**Bavik Pils** | The bitterness introduced already in the aroma, comes completely forward in the aftertaste. | Gridiron Capital, BB&T **Tbl#01**

**Blonde** | This beer is perfectly balanced with a lingering malt and biscuity finish. | The Compass Group, The Sage Group, LLC **Tbl#010**

**Blood Orange IPA** | Blood Orange Brew Free! is brewed like our original west coast style Brew Free! or Die IPA, but with an abundance of fresh blood orange puree and a twist of citrusy dry hops. Refreshingly different. | Morgan Stanley, Harris Williams **Tbl#2**

**Bonito Blonde Ale** | This brew draws you in with its golden color and soft malt character, while the light mouthfeel and dry finish keeps you coming back. | LynnCo Supply Chain Solutions **Tbl#5**

**Boston Lager** | Since 1984, Samuel Adams Boston Lager has used only the finest hand-selected ingredients to create out perfectly balanced and complex original brew. | Audax, Carl Marks **Tbl#12**

**Brew Free or Die IPA** | This aromatic golden IPA starts with three different hops to the nose, quickly balanced by a solid malt backbone supporting the firm bitterness. | CenterOak Partners, LLC, Young American Capital **Tbl#3**

**Brooklyn Lager** | Brooklyn Lager is amber-gold in color and displays a firm malt center supported by a refreshing bitterness and floral hop aroma. | Gemspring Capital, Gauge Capital **Tbl#18**

**Brown Ale** | A blend of six malts, some of them roasted, give this beer its deep russet-brown color and complex malt flavor, fruity, smooth and rich, with a caramel, chocolate and coffee background. | Investcorp International, JP Morgan **Tbl#19**

**Dayblazer (Easygoing Ale)** | A deliciously refreshing golden ale, brewed with the finest malts and hops giving a sweet, crisp citrus finish with just a hint of honey. | Plante Moran **Tbl#1**

**Defender Golden IPA** | Defend Beer with Brooklyn Defender IPA, our heroically hopped golden IPA featuring strong notes of tropical fruit, well-muscled hop bitterness, and an incredibly dry finish. | Trilantic, Valufinder **Tbl#20**

**East IPA** | American hops soar in the bright piney aroma, while East Kent Goldings hops bring the taste of stone fruits and firm bitterness from IPA's ancestral British home. | Tenex, Pickwick Capital **Tbl#21**

**El Sully Mexican Lager** | Who is El Sully? Grab a can of this Mexican-Style lager, head to the nearest beach, even if it's imagined, and perhaps he'll come to you. | Safanad, The Capital Solutions Group **Tbl#4**

**Fruitage** | Rodenbach FruitAge is a blend of aged ale, young ale and 9% red fruit, which gives it its sweet-sourness and fruity notes. Pure refreshment. | Winston & Strawn **Tbl#04**

**Grand Cru** | An exceptional Flemish red-brown ale that owes its fresh and sour taste and complex fruitiness to its lengthy partial maturation in wooden oak casks. | Gryphon Investors **Tbl#05**

**Hefe-Weizen** | In developing this beer, the Paulaner brewmasters have perfected a unique technique with "yeast suspension," resulting in a uniform, slightly cloudy appearance, consistent quality, and perfect taste. | Graycliff Partners, KeyBanc Capital Markets **Tbl#07**

**IPA** | That isn't just easy to drink, it's fun to drink. That is so well-rounded, so refreshing and – yes – so drinkable that it pairs perfectly with anything life has to offer. | Windjammer, Sterling **Tbl#9**

**IPA** | This classic ale adds a fruity aroma, set off by a dry malt middle, to ensure that the long hop finish is one you'll remember. | High Street Capital, Raymond James & Associates **Tbl#11**

**Lager** | The crisp taste of Harp Lager might be due to the pure water from the Cooley Mountains, Dundalk that is used in the brewing process. | Saw Mill Capital, Doeren Mayhew Capital **Tbl#012**

**Manta Ray Double IPA** | Aromas of fresh, citrusy tangerine, melon and light pine leap from the beer and linger over a smooth finish. | New Heritage, Lazard Middle Market **Tbl#6**

**Munich Lager** | The recipe for success remains: A perfect balance of malty character and the light bitterness of hops. | PNC Mezzanine Capital, Stream Capital **Tbl#08**

**Nightwind Winter Ale** | With a poetic balance of traditional American and English hops, roasted barley and chocolate malts we've created a flavorful dark ale that offers up hints of cocoa, coffee and molasses. | Main Street Capital, Mufson Howe Hunter & Company LLC **Tbl#14**

**Oktoberfest Marzen** | The Märzen name comes from "March beer" as it was historically brewed in March to be at peak flavor for the Oktoberfest celebration. | Aterian Partners, Stifel **Tbl#09**

**Pub Draft** | Sip after sip, sweet counters bitter as the malt arrives on cue to compliment a base of roasted barley. | High Road Capital Partners, BMO **Tbl#011**

**Shiner Bock** | Brewed with rich roasted barley malt and German specialty hops, this lightly hopped American-styled dark lager always goes down easy. | Sentinel, Deloitte **Tbl#13**

**Sorachi Ace** | Sorachi Ace is a classic saison, an unfiltered golden farmhouse ale, with a clean malt flavor and the quirky Sorachi Ace hop standing front and center. | Seaport Capital, CG Petsky Prunier **Tbl#17**

**St. Pauli Girl** | Two row spring barley from the south of England, a special strain of yeast, ice-age glacier water from the "Rotenburger Rinne," plus hops from the famous "Hallertau Hop Gardens" in southern Germany. | Insight Equity, TM Capital **Tbl#06**

**Victory at Sea Porter** | The subtle roasted notes and minimal acidity of the cold brewed coffee, balances perfectly with the sweet caramel undertones of the malt, creating a winning combination for your palate. | Bertram Capital, Stout **Tbl#7**

**Village IPA** | Hop Culture Soaring. East and West. City and Village. | AGI Partners LLC, Lincoln International **Tbl#16**
