

John Conforti, Jr.

President

Air Group

John C. Conforti, Jr. is a 2nd-generation owner, president, and Professional Engineer of Air Group, LLC, a premier full-service company located in Whippany, New Jersey, that specializes in HVAC, plumbing, and electrical for both residential and commercial. John graduated from Penn State University with a 5-Year Architectural Engineering Degree with a Business Minor. He also earned the New Jersey Masters Plumbing license and recently received the newly initiated New Jersey Masters HVAC license.

After graduation, John launched his career by working as a consulting engineer in the New York City area. His first couple of jobs with Syska & Hennessey / WSP and Barone Engineering Associates paved the way to fulfilling his four years of experience to receive his Professional Engineering license from the State of New Jersey.

Throughout the years, John has stayed true to Air Group's credo to: "Serve our customers to the best of our abilities." John also continues Air Group's amazing environment for its employees. One of the unique things about the Air Group is the amount of time their employees stay. This is all the more impressive when you consider that the company has over 300 service trucks on the road. John still lives in the town he grew up in with his wife and two children.
