

STEVEN KOPS, CPA
PARTNER, TRANSACTION SERVICES

Steven specializes in leading sell-side and buy-side financial and accounting due diligence on behalf of private equity groups, corporations, management teams and providers of various types of debt. His experience includes domestic and cross-border standalone platform buyouts, add-on acquisitions, carve-outs and minority investments.

Steven has expertise in assessing quality of earnings, evaluating management's projections, analyzing quality of cash flows and working capital, assessing post-acquisition cash requirements, and GAAP compliance. He has also been selected as the independent accountant in numerous M&A dispute resolution situations and has testified as an expert witness. Steven is a member of the Mazars global Corporate Finance Group.

Steve graduated from State University of New York at Albany with a Bachelor of Science in Accounting.
