ABOUT DEALFEST NORTHEAST

DealFest Northeast is the largest M&A block party in the northeast, bringing together **over 600 middle-market deal professionals** — capital providers, intermediaries, corporates and strategics — from all over the country to network, discover new partners, and identify untapped sources of dealflow.

On the first day of DealFest, New England's top private equity and investment banking firms host and share the region's finest craft beers as attendees connect and strengthen their well-established networks of active investment community relationships, as well as create and build new relationships that can help source new quality investment opportunities.

DealSource Select takes place on the second day of DealFest Northeast: over 300 capital providers, intermediaries, and corporate development professionals conduct one-on-one meetings with each another, all prescheduled through DealSource Select's innovative and private online networking tool, making it the most efficient and concentrated way to source dealflow for the middle-market M&A community.

"Outstanding networking event for those involved with PE, IB, and M&A."

"DealFest Northeast is the model for ACG Conferences...this is Capital Connection 2.0: a full calendar of meetings and no wasted time sitting behind tables."

"ACG Boston's DealFest attracts many senior level M&A professionals that are serious about making the right contacts to serve their clients needs."

"The value of this event, with so many dealmakers in one setting, is unrivaled!"

"Boston has a strong investment community and DealFest is a great way to meet the best professionals in the New England area."

"DealFest Northeast is an event that active members of the Boston dealmaking community can't afford to miss."
