DEALS WITHOUT BORDERS

EuroGrowth is a leading international networking event that prioritises programming and structured networking opportunities. Designed especially for the mid-market, EuroGrowth sets the stage for 200+ global deal professionals to build and develop relationships with the overall objective of doing deals.

## WHO SHOULD ATTEND?

Are you a private equity investor looking to source add-on acquisitions in other geographies or are you looking to identify overseas buyers for your portfolio companies? A network of advisors from the U.S. and Europe attend EuroGrowth each year because it's a highly effective asset, and a means of broadening reach and determining partners.

Equally, if you are a corporate financier, debt provider or other mid-market deal professional, and you are looking to expand your European mid-market private equity network, EuroGrowth is the place to make those connections and promote your credentials. See the [latest attendee list](#).
